Brazil Nature

Amazon Rainforest - the world's largest intact forest

Pantanal - the best place in South America for wildlife and bird-watching

Lençóis Maranhenses - a desert with white-sand-dunes and crystal-clear lagoons

Ibitipoca - one of the most ecological ecosystems in Brazil OU a very well preserved park with rivers and waterfalls in a rural environment

Triunção - the heart of the Savannah, with a very rich biome's preservation, surrounded by hills, plateaus, rivers and footpaths

Chapada Diamantina and Veadeiros - fascinating natural parks with a mountain scenery and an extraordinary variety of ecosystems

Foz do Iguaçu - one of the great natural wonders of the world, a magnificent series of waterfalls located on the border of Argentina and Brazil

Cambara do Sul - the "Land of Canyons", waterfalls, rivers and natural pools, the ideal place in the South of Brazil for adventurers and ecotourists.

Cultural & Historical Towns
